

Wedding Carriage Services

Beaver Meadows Stables offers a variety of equine experiences, including horse drawn carriage and covered wagon service for weddings! Let our beautiful teams of draft horses transport you to your mountain wedding site. Carriage or covered wagon service can be used to chauffeur members of the bridal party to the ceremony site as well as for a distinctive entrance. These services often include a private champagne ride for the bride and groom following the ceremony..

A perfect way to steal a private moment before greeting guests at the reception, and also an excellent opportunity for the photographer to capture some special memories on film!

..a picture perfect entrance for the bride!

The Vis a Vis Carriage
